Welcome to Lindsay House

Our aim is to provide a friendly, caring, 'home from home' environment where dignity, independence, safety and comfort are paramount.

We have a dedicated and compassionate team, with good staff retention, which means our staff can build close and meaningful relationships with all our residents.

We are part of a wider, friendly and welcoming community and we always make sure that all our visitors are made welcome and well looked after, whoever they are.

We ensure that all residents are fully involved in the planning and delivery of services, promoting their right to privacy and independence. We recognise that everyone is different and the care we deliver aims to reflect this. Lindsay House provides a homely, relaxed and safe atmosphere for it's residents, guests and staff.

A home from home.

Communal

Situated in scenic surroundings on the well-known beauty spot of Parbold Hill, Lindsay House is a Lancashire-based Residential Care Home which has benefited from extensive refurbishment and investment.

Our skilled and dedicated team provide a comfortable and friendly environment for our residents. We respect their privacy and dignity but we also encourage them to get involved in activities of their choice, and to remain active in mind and body. Friends and relatives make regular visits, and this adds to the homely feel we like to encourage. We have excellent support from external medical professionals, and this is something that helps to give residents' families peace of mind.

Visitors to Lindsay House often say it feels more like a small country hotel than a Care Home. This is probably explained by our peaceful rural location, our caring and friendly staff and the welcoming atmosphere.

Our rooms

Each of our 25 bedrooms at Lindsay House are inviting, comfortable and well-furnished; residents are encouraged to personalise their room with their own furniture, photos and other mementos to create a home from home feel.

Dining

Our catering team provide a wide range of home-cooked, nutritionally balanced meals prepared in our own kitchen and made from quality ingredients.

Menus are prepared in consultation with experienced dieticians, with suggestions from our residents, to ensure that any specific needs, allergies or cultural and personal preferences are considered, while achieving a balanced nutritious diet.

Residents are encouraged to eat in the dining rooms but they can choose to eat in their room if they wish. We also cater for special occasions for our residents such as birthdays and anniversaries. The main meal of the day is served at midday, with a lighter meal in the evening. All meals offer a choice of menu options. Snacks, fresh fruit and refreshments are available at all times.

Activities

A regular programme of activities is promoted within the home by our dedicated activity organiser.

Each activity is designed around keeping fit and active or to simply stimulate. We encourage residents to live their lives as they wish and are able to join in, or not, as they please.

Our activities often involve the local community and we encourage strong social links with local groups. Typical daily activities include arts and crafts, indoor bowling, bingo, passive and gentle exercises, one to one shopping trips, beauty therapy, reminiscence meetings and lots more.

Support through challenging times.

Peace of mind

Our staff have the experience and training to know and understand the challenges that everybody involved has to overcome, so we know how to help. We provide as much support as possible to residents and their families during the moving process and throughout their stay at Lindsay House.

Our staff are diligent, caring and trustworthy personnel who have each resident and their family's happiness as a core priority.
